

Dear Friend,

My name is Ryan Getzlaf, I am the captain of the Anaheim Ducks NHL team. **My wife, Paige, and I are reaching out to you to invite you and your company to participate in the 7th Annual Getzlaf Golf Shootout benefitting CureDuchenne™ on Friday, September 8 and Saturday, September 9, 2017.**

The Getzlaf Golf Shootout brings together NHL athletes, celebrities, and community leaders in support of the children served by CureDuchenne. This two day tournament features an MVP Party with dinner, silent and live auctions on Friday evening, followed by an action-packed day of golfing at the beautiful Monarch Beach Golf Links on Saturday.

Paige and I chose to partner with CureDuchenne because we believe that all children deserve a chance to grow up and live long, strong lives. CureDuchenne is dedicated to saving the lives of children and young adults diagnosed with Duchenne muscular dystrophy. Duchenne muscular dystrophy is a fatal genetic disease that affects children. Instead of getting stronger with activity and exercise, the muscles in kids with Duchenne deteriorate, robbing children of their ability to walk, play and eventually breathe. These children are typically diagnosed by age 5, require the use of a wheelchair by 12 and most don't survive their mid-20s.

Our goal is to halt the progress of the disease by making life-saving drugs accessible in time to help this generation of Duchenne patients. **Join Paige and me by participating in the Getzlaf Golf Shootout as an auction donor. Sponsorships and on-course demonstrations are also available.**

Participation in the Getzlaf Golf Shootout is an effective way for you and your company to make a positive difference in the lives of families affected by Duchenne here in Orange County and around the world. It's also the perfect opportunity to market your business and network with some of Southern California's high profile individuals and businesses.

Please consider donating a package to the Getzlaf Golf Shootout silent or live auction. Following the event, you will receive a thank you letter for tax purposes. CureDuchenne™ is a charitable nonprofit 501(c)3 corporation, tax id number 20-0299958. For the first time ever, there is hope to find a cure for this destructive disease affecting thousands of children and their families. Thank you for your kindness and support. Sincerely,

Ryan Getzlaf
